Jl. Gamprit 2 No. 12, Jatiwaringin, Pondok Gede District, Bekasi City, West Java

PROFILE SUMMARY

Computer Engineering student at IPB University (since 2025) with a growing focus on web development, including TypeScript (React) and PHP (Laravel). Brings nearly a year of freelance experience as a motion graphic designer and video editor on Fiverr, having completed 40+ projects while building strong client communication, project management, and remote-work discipline. Detail-oriented, responsible, and adaptable, now looking to bring these skills to freelance web development work.

PROFESSIONAL EXPERIENCE

Kopi Calf Group (Barista)	July 2026 – Present
----------------------------------	---------------------

Barista

- **Served** 100+ customers per shift while maintaining fast service and beverage quality.
- **Maintained** 100% accuracy in daily cash reconciliation and sales reporting.
- **Managed** inventory and stock counting, reducing the risk of stock shortages during operations.
- **Executed** opening and closing procedures independently while ensuring operational readiness.

Fiverr (Freelance)	August 2025 – April 2026 (9 months)
---------------------------	-------------------------------------

Freelance Motion Graphic Designer & Video Editor

- **Completed** more than 40 video projects (motion graphics and video editing) using Adobe After Effects.
- **Communicated** directly with clients to understand project briefs and ensure results met their needs and deadlines.
- **Managed** multiple projects simultaneously with strong time discipline in a remote work environment.
- **Maintained** consistent quality and reliability, earning ongoing trust from large-scale Fiverr teams and agencies.
